

Didymo and Invasive Species Concerns for the Northern Tier

Getting excited about Opening Day? Ready to get out and visit your favorite stream? Come to the aquatic invasive species workshop on March 18, to learn about potential invasive intruders in the Northern Tier, how to identify invasive species of concern, and how to prevent the spread of these species through reporting and simple cleaning methods. The workshop will include a demonstration of how to clean your boots, waders and other gear to avoid spreading invasive species. Cleaning stations will be provided to the first 30 participants.

Tuesday, March 18
6:00 - 8:00 p.m.

W.M. Tokishi
Training Center
124 NYPUM Drive
Wellsboro, PA

Just east of Wellsboro, off Rt. 6,
next to the "Truck Lite" plant
parking lot.
Continue up NYPUM Drive to
the red brick building.
