

Pennsylvania Fish & Boat Commission

PFBC FBA, Clayton Frey (PSU '18)

To: Seasonal Candidates

From: PFBC Lake Habitat Section Chief, Ben Page

Re: Seasonal Fisheries Biologist Aide Opportunity

Dear Candidates:

The Pennsylvania Fish & Boat Commission's Lake Habitat Section has a seasonal Fisheries Biologist Aide (FBA) opportunity that might be right for you. As an FBA you will get an inside look at the conservation efforts being conducted by the PFBC during fish habitat projects on the lakes and streams of Pennsylvania. You will have a chance to go on the road with Habitat Management staff to complete fish habitat improvement projects all over the Commonwealth and receive great hands-on experience implementing conservation projects.

Pay Rate: \$13.56/hour.

Start Date: May 6, 2019

Term: May 6 – August 23

Work Location: 595 East Rolling Ridge Drive, Bellefonte, PA 16823

Work Schedule: Monday – Friday, 8:00 a.m. - 4:00 p.m. Overtime and occasional Saturday hours expected.

Travel: Some overnights required throughout field season. You will receive reimbursement for your expenditures on food and hotel stays.

Our previous FBA's have used their experience to help enter into graduate school and acquire positions in the fisheries biology field. Our PFBC website (<http://fishandboat.com/habitat.htm>) offers presentations and further information about fish habitat field work.

If you are interested, please e-mail your resume' to bepage@pa.gov by March 7. Interviews are anticipated to be held March 11 - 15. If you have any questions, please email bepage@pa.gov or call (814) 359-5162.

Yours in conservation,

Ben Page
Lake Habitat Section Chief
Division of Habitat Management
PA Fish & Boat Commission

Our Mission:

www.fish.state.pa.us

To protect, conserve and enhance the Commonwealth's aquatic resources and provide fishing and boating opportunities.
