## RAFFLE

10 Tickets - \$5

5 Tickets - \$3

1 Ticket - \$1

Proceeds Benefit PennWest California Chapter AFS

Sample of prizes

## Join us on February 23 and make your own fish print t-shirt

Fish printing, also known as “Gyotaku” is a Japanese art form that dates back to over 100 years ago. Anglers would make fish prints to record their catches prior to the modern day camera. Today Gyotaku has become a popular art form enjoyed by many and the prints are said to bring good luck to fishermen.

WHERE: Lock Haven
